(951) 232-4268 (cell)

DEVORE 2 UPDATE – NEW INFORMATION

San Bernardino County – Caltrans began night work on August 14th for the Devore 2 Pavement Rehabilitation project on Interstate 15 (I-15) near the junction of 15/215 in Devore. Most of the work has been taking place at night between approximately 6:00 p.m. and 6:00 a.m., Monday through Sunday. In order to pave six connectors of the 15/215 interchange, Caltrans will use Rapid Rehab weekend work. These Rapid Rehab extended closures will allow Caltrans to get more work done in the extended periods, thereby reducing impacts to motorists and the overall duration of the project. The outcome of the work will increase the life of the pavement from 15 years to approximately 30 years.

Five lane and/or connector closures of the 15/215 interchange have been scheduled over the next five weekends. **The schedule is tentative and subject to change as follows:**

- Closure A: Tuesday, October 3 through Friday, October 13, 2006
(Reduced lanes on southbound I-15 from Kenwood to 15/215) [2-4 lanes available](#)
- Closure B: ~~Friday, October 13 through Sunday, October 15, 2006~~ **Postponed until further notice.**
~~(Northbound I-215 connector to southbound I-15 & reduced lanes on I-15 southbound from Kenwood Avenue to 15/215)~~ [Connector Closure & Reduced Lanes](#)
- Closure C: Friday, October 13 through Sunday, October 15, 2006
(Southbound I-15 connector to southbound I-15 and reduced lanes on I-15 southbound from Kenwood Avenue to 15/215) [Connector Closure & Reduced Lanes](#)
- Closure D: Friday, October 20 through Sunday, October 22, 2006
(Southbound I-15 connector to southbound I-215) [Connector Closure](#)
- Closure E: Friday, October 27 through Monday, October 30, 2006
(Northbound I-215 connector to northbound I-15) [Connector Closure](#)
- Closure F: Saturday, November 4 through Monday, November 6, 2006
(Northbound I-15 connector to northbound I-15) [Connector Closure](#)
- Closure G: Date & times to be determined. Will be incorporated into weeknight work.
(Northbound I-15 to southbound I-215) [Connector Closure](#)

Northbound I-15 work is expected to begin on Fridays after 11:00 p.m. and end on Mondays at 5:00 a.m.
Southbound I-15 work is expected to begin on Fridays at 9:00 a.m. and end on Sundays at 1:00 p.m.

For more details on the information above or to request a brochure for the project, please visit our website at www.caltrans8.info. You may also sign up for weekly alerts at this website. If you do not have access to a computer, please call us toll free at (866) 383-4631.

Caltrans advises motorists going to and from Nevada, the High Desert, or Arizona to leave on Thursday and return on Monday during the Rapid Rehab weekend work. You may also avoid significant delays by choosing an alternate route or eliminating discretionary trips up and down the Cajon Pass.

Think – a two-foot piece of orange plastic separates your car from a human life....

Slow for the cone zone!
